HOME BUILDER HAPPENINGS

A look Back on March and April

The Famous Fish Fry is Back!
Details inside.

Hello From Your President!

Amber Irving
2023 BHHBA President

Happy Spring and bring on Summer!

We have had a busy start to the year with our events; we wrapped up Home Show and it was sold out! Many thanks to Home Show Committee and the Staff for all the hard work and dedication to putting on an excellent show. We are in the planning stages for 2024 Home Show; do you want to get involved? Join the committee and help us make 2024 another great show.

Be sure to congratulate our newest Hall of Fame inductee Teri McNally; thank you Teri for all your hard work and dedication to our association over the years!

The Board of Directors and Committee Chairs just wrapped our board retreat; we are all very excited to share our direction and plans moving forward for the association. We are going finish 2024 stronger than ever and continue to grow.

Did you know as a member that you can attend our monthly Board Meetings? If you are interested, check out the calendar and join us for May board and the upcoming events!

Amber Irving
2023 BHHBA President

NORTHGATE® ClimateFlex® MAX DEF ESPRESSO

VIBRANT, DURABLE SHINGLES IN A WARM
AND SOPHISTICATED NEW COLOR

*NorthGate ClimateFlex,
shown in Max Def Espresso*

NEW

Homeowners with refined tastes and discerning palates have a robust new color option when choosing the ideal roof. With a bold blend of black and brown granules, **Max Def Espresso** is as rich and indulgent as the perfect roast.

This chic new shade was designed with the cultured cosmopolitan in mind. Experience the trusted performance and durability of NorthGate ClimateFlex in a color worth savoring.

The Depth and Dimension of Max Def

With our Max Def color palette, a richer mixture of surface granules adds new, eye-catching dimension to shingles. The unique gradient blend of Max Def Espresso was developed by researching hundreds of different pigments. Carefully placed, color-coated granules bring more dramatic depth to the natural wood shake aesthetic of NorthGate ClimateFlex.

KNECHT *Home Center*

your Hometown Lumber Yard Since 1928

... a Mead Lumber Company

Knecht Home Center is proud to work with homeowners, builders, manufacturers, and architects to design homes that are not only energy efficient but utilize renewable, natural resources; lumber being one of them. Products such as insulation and drywall have elements of recycled materials in the making of the product. We believe strongly that utilizing sustainable, renewable materials is the responsible and right thing to do for future generations to come.

We are committed to help with materials, money and manpower to support programs that give back to the communities we serve.

Happy May!

It's been a whirlwind of 4 full months here at the association and I am so excited to see what the next few months bring. We have so many fun things in store! A couple highlights to consider:

1. The Famous Fish Fry is back! We are finally opening the office for an open house, and we are doing it in a big way! Jay Mendel is going to be cooking up a storm and this is one social you don't want to miss!
2. Ladies' night this October is going to be fun! Victoria's Garden is coming in and we are making our own succulent gardens! Food, drinks, and fun for the ladies in the industry!
3. The Golf tournament will be here in in no time! Be watching your emails for team registrations! If you're interested in sponsoring call the office today!
4. Parade of Homes is back in person this year and we are bringing in an app! This is going to make the experience even better for builders and customers alike!

As always, I would love to see you get the most out of your membership and join a committee or attend a social. There are so many of you I would love to meet!
See you in May for the Builders Appreciation Social!

Hello everyone!

My name is Avery. I have just joined Black Hills Home Builders as the Membership Director.

I am born and raised in the Black Hills, where I graduated from Stevens High School. I moved away to Minnesota where I played soccer at the University of Minnesota-Moorhead. After a year I quickly realized the Black Hills is my home, and I moved back. I have been involved in the medical field for the past four years, and recently decided I wanted to pursue something completely different. The building industry is something that has always fascinated me, and I am thrilled to be apart of this association. I am eager to learn more about each business as well as being an active member in this growing industry.

I look forward to meeting the many faces of this community!
