Presidents Letter

Darin Howie ~ 2022 President

Happy New Year! I hope this letter finds you well.

The Christmas Party was a huge success! The Ugly Sweater contest was a blast! We had everything from Chester Cheeto to a black man with huge blue balls!

Remodel is moving along Nicely. Stop in to see the progress.

Pub Crawl is fast approaching! Please mark Saturday, February 19th on your calendars and join us at the Kjerstad Event Center at the Central States Fairgrounds for some deductible drinking! We are now accepting donation items for the live auction.

So long for now!

Howie

This is our annual fundraiser to benefit two families in the Black Hills community that have suffered drastic life events. Battling illness, health related obstacles, tragic loss and or unexpected accidents can create a burden for many. In this time of suffering, grieving or surviving BHHBA and our community come together to help. Join us on February 19, 2022.

Mariah a healthy 25 year old, found a lump on her thigh that grew rapidly during her pregnancy last year. This was the start to a drastic life changing diagnosis with Leiomyosarcoma, a rare cancer - so rare it is only diagnosed 1 in 5 million typically found in patients 40-60 years old. Mariah and her fiance' Tyler both work full time and recently welcomed sweet Eleanor into their family. BHHBA would like to help this young family on this journey so that they can continue on to chase all their hopes and dreams.

Jon a single father, was involved in a one vehicle accident recently. This accident resulted in several days in the ICU, surgeries, multiple breaks in the spine and ribs. Jon also spent a number of weeks recovering at an inpatient rehab facility, has had to be restrained to a back/body cage for many months and has a long road to recovery. Jon is an exceptional father and works full time. However, due to this unfortunate accident he has been set back. BHHBA hopes to help Jon have a less stressful recovery by helping to remove some of the financial burden during this unexpected event.
